See accompanying notes to the unaudited financial results

Notes:

Date: February 02, 2024

- 1. The unaudited financial results for the quarter ended December 31, 2023 and year to date from April 1, 2023 to December 31, 2023 of Mangalore Chemicals and Fertilizers Limited ("the Company") have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on February 02, 2024 and has been subjected to limited review by auditors.
- 2. The unaudited financial results have been prepared in accordance with the Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Companies Act, 2013, read with relevant Rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 3. The Company is engaged in the manufacture, sale and trading of fertilisers which constitutes a single operating segment as per Ind AS 108 and hence separate segment disclosures have not been furnished.
- 4. The urea concession income and subsidy income for Phosphatic fertilizers under Nutrient Based Subsidy Scheme for the period / year has been recognized based on management's estimate, pending finalization by the Government of India ('GOI').
- 5. The Company had during the year ended March 31, 2021 recognised urea subsidy income of INR 2,914 Lakhs without benchmarking its cost of production using naphtha with that of gas-based urea manufacturing units recently converted to natural gas, as notified by the Department of Fertilizers [DoF] for subsidy income computation, against which the Company had filed a writ petition against the DoF before the Hon'ble High Court of Delhi [DHC]. Pending finalization of writ petition before the DHC, the management, based on legal opinion and considering the fact that the energy cost is always a pass through in subsidy computation, believes that artificial benchmarking is arbitrary and discriminatory and is confident of realisation of the aforesaid subsidy income.
- 6. The Company has resumed production of Ammonia and Urea on November 02, 2023 after planned shutdown in the last week of September 2023.
- 7. The Code on Social Security, 2020 ('Code') relating to employee benefits received Presidential assent in September 2020. However, effective date and the final Rules/ interpretation have not yet been notified / issued. The Company will assess the impact of the Code and recognize the same, if any, once the Code comes into effect.
- 8. Previous year / period's figures have been regrouped / rearranged wherever considered necessary, to conform with current period's classification.

Independent Auditor's Review Report on review of Unaudited Financial Results

To the Board of Directors of Mangalore Chemicals & Fertilizers Limited

We have reviewed the accompanying Statement of Unaudited Financial results of Mangalore Chemicals & Fertilizers Limited ("the company") for the quarter and period ended 31st Dec 2023, being submitted by the company pursuant to Regulation 33 of SEBI (Listing Obligations and Disclosure requirements) regulations, 2015, as amended.

Management's Responsibility

The Statement, which is the responsibility of the management and approved by the Board of Directors, has been prepared in accordance with recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("IndAS-34") prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder, and other accounting principles generally accepted in India.

Auditor's Responsibility

Our responsibility is to issue a report on the Statement based on our review. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Conclusion

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with the recognition and measurement principles of the applicable Accounting Standards and other recognized practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure requirements) regulations, 2015 as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter

We draw attention to Note no 5, which states that the Company had recognized urea subsidy income of Rs. 2914 lakhs in the Financial Year ended March 31, 2021, considering that benchmarking of its cost of production of urea using Naphtha with that of gas-based urea manufacturing units is arbitrary and for which the Company had already filed a writ petition against the Department of Fertilizers before Hon'ble High court of Delhi. Based on the legal opinion obtained, the management believes that the criteria for recognition of subsidy revenue is met. Our conclusion is not modified in respect of this matter.
