Dear Sir/Madam,

**Sub: Disclosure of information pursuant to Regulation 30 of SEBI (LODR)  
Regulations, 2015**

This has reference to our letter dated September 25, 2023 intimating about shutting down of the Ammonia and Urea plants for planned maintenance.

We wish to inform you that the Company has resumed production of Ammonia and Urea today i.e., November 2, 2023 after planned maintenance.

This disclosure, being material, is made pursuant to Regulation 30 read with Part A of Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Thanking you,

**Yours faithfully,  
For Mangalore Chemicals and Fertilizers Limited**

Vighneshwar G Bhat  
Company Secretary
